LEADERSHIP SOUTHCOAST

ENGAGE. EDUCATE. EMPOWER.

Mission & Background

engage. educate. empower

Leadership SouthCoast engages, educates, and empowers diverse individuals to become active community leaders and a vigorous network determined to improve and strengthen the south coast region.

Since its founding in 2004, LSC has played a vital role in the region through leadership development, community engagement, and the cultivation of both longstanding and new partnerships.

Through its flagship program, community-based projects, and a growing network of more than 600 alumni, LSC brings together individuals across sectors to build meaningful relationships, deepen their understanding of regional challenges and opportunities, and drive lasting impact throughout the SouthCoast community.

Leadership SouthCoast develops more confident, connected, and community-minded employees—people who don't just do their jobs, but elevate the organizations and communities they serve.

Why Partner with Us

Partnering with Leadership SouthCoast connects your organization to a powerful network of emerging leaders, elevates your brand among key decision-makers, and aligns you with regional impact.

Your support strengthens leadership development while positioning your organization as a champion of workforce growth, civic engagement, and collaboration—helping shape the SouthCoast's future leadership pipeline.

Join us this year as we engage, empower, and educate people through shared experiences that positively transform individuals, organizations, and communities.

Lighting the Way: What's Ahead for Leadership SouthCoast

Program Possibilities in 2027:

LSC Leadership Lab is a workforce development workshop series currently in development that will provide practical, relevant, and accessible professional development opportunities for LSC Alumni, regional leaders, and open to the public at every stage of their careers.

Designed to complement Leadership SouthCoast's flagship LEAD program, the series will offer standalone workshops focused on today's most in-demand workplace skills, empowering individuals, teams, and organizations to grow, adapt, and lead with confidence.

Workshop topics may include:

- Artificial Intelligence (AI) in the Workplace
- Communication & Public Speaking
- Emotional Intelligence
- Burn Out
- Conflict Resolution & Difficult Conversations
- Strategic Thinking & Decision-Making
- Workplace Wellness, Resilience & Mindfulness (LSC Leadership Wellness Retreat)
- Time Management & Productivity
- Work/Life Balance
- Networking & Relationship Building

The Leadership Series is designed for professionals across the business, nonprofit, education, healthcare, and public sectors, providing flexible, high-quality learning experiences that strengthen the SouthCoast workforce while fostering meaningful cross-sector connections. Participants may attend individual workshops based on their interests or professional development goals, making the series an accessible resource for organizations looking to invest in employee growth throughout the year.

Benefits for Partners

- **Powerful Regional Network:** Direct access to 600+ alums, emerging leaders, and key regional employers across sectors
- **Elevated Visibility:** Prominent brand exposure among influential leaders and key regional employers shaping the SouthCoast
- **Employee Engagement**: Exclusive opportunities for your team to connect with and influence the region's next generation of leaders
- **Regional Impact:** Visible alignment with strengthening the SouthCoast's workforce, economy, and future leaders

This year, Leadership SouthCoast is offering two partnership options: a long-term partnership or an annual investment. Your support helps connect past and current regional leaders across key industries, including banking, healthcare, higher education, and manufacturing.

Multi-Year Partner Commitment

Multi-year partnership with Leadership SouthCoast provides consistent visibility, deeper connections, and greater long-term impact. It strengthens your brand, builds lasting relationships with regional leaders, and demonstrates a sustained commitment to the SouthCoast community.
Multi-year commitments include locked-in rates for the duration of commitment.
